Coding Review For National Certification: Passing The CPC And CCS-P Exams

CODING REVIEW *for* NATIONAL CERTIFICATION
Passing the CPC and CCS-P Exams

MARY A. HARMON, BS, CMA, CPC

Synopsis

â œCoding Review for National Certification: Passing the CPC and CCS-P Examsâ • is for the student who has completed a formal education in medical coding or an individual with at least three years full-time medical coding experience who is seeking certification. The goal of the textbook is three-fold. First, it guides through an overall review of the CPT and ICD-9 manuals, their guidelines, modifiers, coding conventions and specific notations to coding descriptors. Secondly it provides many practice problems throughout the text, coding problems at the end of each chapter, and a mock examination at the end of the text. Thirdly it helps students to "think like a coder." Learning to think through every coding problem or question in an analytical, organized, sequential approach teaches students to attack the "problem" in a consistent manner, which in turn, provides consistent accuracy in coding.

Book Information

Paperback: 288 pages

Publisher: McGraw-Hill Science/Engineering/Math; 1 edition (January 21, 2009)

Language: English

ISBN-10: 0073373982

ISBN-13: 978-0073373980

Product Dimensions: 8.5 x 0.5 x 10.8 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 3.7 out of 5 starsÂ Â See all reviewsÂ (3 customer reviews)

Customer Reviews

It is a shame that this book is loaded with typos. The typos in the Answer Key undermine the purpose of the book. I would appreciate having Answer Key corrections made available to me. Then I could trust the information. The book has features that are excellent.

I recieved this book quick and fast and at great deal/price. Although the book was used, it was a great price and in great (like brand new) condition. I recommend this book to anyone who wants to take the national exam CPC.

Thank you for your quick service. I recieved my book within 5 days. Thank you also for saving me about $100.00 from what my college wanted me to pay. I will do business with you again.
