Gorilla: Struggle For Survival In The Virungas

Synopsis

In beautiful yet eerily disturbing color photographs, the "Indiana Jones" of photography records the struggle for survival of the gorillas of the Virunga Mountains, the land they inhabit, and the Rwandan people whose destiny they share.

Customer Reviews

I've been with the gorillas in the Virunga +- 18 years ago (just before the Ruanda Massacre) and this book is a living memory for me.

Love this book. Well written and beautiful photos. Lots of information and beautifully done. One of my favorites on the mountain gorillas.
