The Midnight Star (A Young Elites Novel)

Synopsis

The thrilling finale to the New York Times bestselling Young Elites series from *the hit factory* • Marie Lu
There was once a time when darkness shrouded the world, and the darkness had a queen. Adelina Amouteru is done suffering. She's turned her back on those who have betrayed her and achieved the ultimate revenge: victory. Her reign as the White Wolf has been a triumphant one, but with each conquest her cruelty only grows. The darkness within her has begun to spiral out of control, threatening to destroy all she's gained. When a new danger appears, Adelina's forced to revisit old wounds, putting not only herself at risk, but every Elite. In order to preserve her empire, Adelina and her Roses must join the Dagers on a perilous quest—though this uneasy alliance may prove to be the real danger.
#1 New York Times bestselling author Marie Lu concludes Adelina's story with this haunting and hypnotizing final installment to the Young Elites series.
