Meerkats

Synopsis

This lavishly illustrated title offers unique insight into the world of the much-loved Meerkat. It is unique since it is the first book on the subject written by a professionally qualified nature conservationist – one who has over two decades™ worth of experience in wild Meerkat research and conservation. It explores every aspect of these mammals™ fascinating lives, and even has a crash course in how to speak Meerkat! (Grant McIlrath)

Customer Reviews

When I learned that Grant's book was out I had to buy it. He is a great friend of mine and helped me through some tough times. While teaching me about Meerkats. It will be great read for sure. Maxine
