The Opies collect folk/play songs from schoolyards. The clapping and jump-rope songs are researched and some go back to the 1700's and are still sung today, although with changes over time. This is a superb collection and, as usual, the Opies have provided us with invaluable insight into every child's garden of verses.

My children and I still love many of the poems across the history of English poetry, which are contained in this book. There is so much variety in the
