## Customer Reviews

This Legends of the West series is among the best books I have read. I will be sorry to finish the series. I am not normally a reader of war stories. However, I have made an exception here. You will definitely read some unusual slants on the Civil War.

author gives enough details to keep story content moving but not so many to drag it down One of the better historical fictions

Historically correct fiction about of the old west by my favorite authors Brock & Bodie Thoene, hey, what's not to love!

JUST AS GOOD AS WE HOPED IT WOULD BE!
