## Customer Reviews

I love the series but the problem with these translations is they try to over westernize and simplify the dialog taking away from the story some. At times the characters sound like tv stereotype valley kids because of it. With a series that it's main selling point is its character interactions it is a noticeable issue.

Story took one huge step forward!!!! The latest character (previously mentioned within the story) is hilarious! BUT the ending brought me to tears!!! I just cannot believe it. It was completely unexpected. I hope some confidence for several chapters shines tough in the coming series. As always Thank you for writing!

AHHHHH!!!!!! Where is the next one????!!! [Ã](#) [Â](#) [Â](#) [Â](#) [Ã](#) [Â](#) [Â](#) [Â](#) I want to read more!!! Pretty please!!!! I love how this series is keeping me on my toes. Just the right amount of suspense, refreshing fun and adorableness [Ã](#) [Â](#) [Â](#)—

I love this manga series. I'm not usually into school romance but this is just too cute for me to pass up. I used to read it on the internet so now I'm excited to be able to buy it in the states!

A good series that isn't too serious at first but has its moments as it progresses. Yet it manages to stay funny and keep its overall light hearted tone.

Loved it!!! Was so excited when it came in the mail! But the ending!!! Oh Miyamura, Why?!?!?!?
