Such a thoughtful and beautiful story! It speaks to the need for a deep and respectful relationship with our seas and gives thoughtful suggestions of what we can do to 'make it fine'. Excellent for schools and to raise awareness about what is happening to our oceans "Listen to me While there's still time; It's never too late To make things fine."

I absolutely love this book!!! We bring our kids, 9 and 7, to the beach every winter and this is perfect! So many beautiful illustrations. HIGHLY recommend!!!!
