Great Wyoming Bear Stories

Synopsis

The first-ever collection of the best bear tales from all across Wyoming. A fatal mauling in Yellowstone National Park; a black bear in a farmhouse bedroom, a massive cattle-killing grizzly in the new millennium and much more. Some old, some new, many never before published. Well written by a talented Wyoming author.

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #577,177 in Books (See Top 100 in Books) #76 in [Books > Science & Math > Biological Sciences > Animals > Bears](#) #732 in [Books > Science & Math > Nature & Ecology > Nature Writing & Essays](#) #872 in [Books > Travel > United States > West > Mountain](#)

Customer Reviews

This book is great for all ages. Young or old, readers will be drawn in by Tom Reed's easygoing style of story telling. His stories are thoroughly researched, painstakingly detailed and very well written. The tales span a history of over a hundred years from the mountain men of old to the modern day backcountry enthusiasts. The book is also a good source for the brutal and honest truth about bear dangers for anyone planning on spending time in Wyoming's bear country including Yellowstone and Teton National Parks. Tom Reed's tone and candor do not necessarily appeal to one side or the other of the "grizzly bear politics" so common here in Wyoming. Instead, Tom gives a perspective that only he can as a conservationist, avid sportsman and long time resident of Wyoming. He gave me a broader insight into, and a new appreciation of, this wild, dangerous, and awesomely breathtaking animal--Bear.

I have read other bear encounter stories, but this book is my favorite. This purchase was a gift, since I had read the book already. The history of the grizzlies and how they came to be almost extinct was informative. The detail about each encounter was interesting, both in descriptions of

before and after the encounters. Some of the "problem" bears were taken to an area in Yellowstone where we like to hike. We will sure be more watchful after reading this!

Living in Wyoming it was great to read the stories and learn about grizzly bears. We learned a lot about them and will stay away when possible. I highly recommend this book. Great author.
