Ivory And Bone

Synopsis

Debut author Julie Eshbaugh's sweeping prehistoric fantasy "with allusions to Pride and Prejudice" will enthrall readers with high-stakes survival, blinding betrayal, and star-crossed love. Hunting, gathering, and keeping his family safe—that's the life seventeen-year-old Kol knows. Then bold, enigmatic Mya arrives from the south with her family, and Kol is captivated. He wants her to like and trust him, but any hopes of impressing her are ruined when he makes a careless and nearly grave mistake. However, there's something more to Mya's cool disdain—a history wrought with loss that comes to light when another clan arrives. With them is Lo, an enemy from Mya's past who Mya swears has ulterior motives. As Kol gets to know Lo, tensions between Mya and Lo escalate until violence erupts. Faced with shattering losses, Kol is forced to question every person he's trusted. One thing is for sure: this was a war that Mya or Lo—Kol doesn't know which—had been planning all along. With riveting action and illustrative prose that leaps from the page, newcomer Julie Eshbaugh will have readers mesmerized.

Book Information

Hardcover: 384 pages

Publisher: HarperTeen (June 7, 2016)

Language: English

ISBN-10: 006239925X

ISBN-13: 978-0062399250
