The Dry Lands (A Tribal Song - Tales Of The Koriba) (Volume 1)

Synopsis

Tales Become Legends - Legends Become Myth Isolated by a changing climate, hemmed in by arid wasteland, a band of prehistoric humans faces extinction. There are too many mouths to feed - the tribes have grown too large, they've hunted too fiercely and the animals are gone. The waterholes are dry, the rains don't come. Their world has changed, and they need a way out. As the young men of the Koriba go in search of a new home, Temfe, the chief's son, must learn to lead his clansmen before they betray him. To survive in a harsh world surrounded by enemies, he must gather new allies, discover new weapons and learn new ways of seeing the world. In the African rift valley, 43,000 years BCE, a spark of consciousness flares into life. The dawn of human culture, the fire that will reshape the world. An epic prehistoric adventure in the tradition of Jean M. Auel, Jack London, William Golding and H.G Wells. Book one of the series *A Tribal Song - Tales of the Koriba* a pre-historic adventure for adults and young adults alike.

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (7 customer reviews)

Best Sellers Rank: #7,210,097 in Books (See Top 100 in Books) #46 in [Books > Teens > Historical Fiction > Prehistory](#)

Customer Reviews

I really liked this book! You felt the characters struggles and triumphs. I wish this book was longer though, you want to know what happens after. There is plenty of afterthought left for a second book.

This is the true underdog taking Overcoming adversity in the stone age To save his tribe. A must read for fans Of the stone age era.

Amazing writing. A tale of rising above your perceived shortcomings to find a greater cause. Only

complaint is that I kept forgetting this was prehistoric times. But the plot and characters are so well developed that I HIGHLY RECOMMEND.

I felt it deserved no less than 4 stars. Enjoyed seeing the young man find his way in a hard life.
