Daughter Of The Pirate King

Synopsis

If you want something done right....When the ruthless Pirate King learns of a legendary treasure map hidden on an enemy ship, his daughter, Alosa, knows that there's only one pirate for the jobâ •herself. Leaving behind her beloved ship and crew, Alosa deliberately facilitates her own kidnapping to ensure her passage on the enemy ship. After all, who's going to suspect a seventeen-year-old girl locked in a cell? Then she meets the (surprisingly perceptive and unfairly attractive) first mate, Riden, who is charged with finding out all her secrets. Now it's down to a battle of wits and will... Can Alosa find the map and escape before Riden figures out her plan? Debut author Tricia Levenseller blends action, adventure, romance, and a little bit of magic into a thrilling YA pirate tale.
