## Customer Reviews

Great addition to our homeschool nature studies! \*\*See my reviews of VA Birds guide in this same series. Everything I mentioned there is also true of this VA butterfly guide. Love them!

Great guide. Sits by my window making it very easy to grab and compare with the butterfly in our garden.

Product recieved on time and in very good shape. The item is very informative on it's subject. Having photography as a hobby,the book will help me I.D. butterflies that I photograph.
