# Kaplan GRE Exam 2008 Premier Program

## Synopsis

Kaplan GRE Exam 2008 Premier Program textbook

## Book Information

Paperback: 432 pages

Publisher: Kaplan Publishing (July 3, 2007)

Language: English

ISBN-10: 1427795029

ISBN-13: 978-1427795021

Product Dimensions: 8.4 x 0.9 x 10.9 inches

Shipping Weight: 2.1 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (38 customer reviews)

Best Sellers Rank: #1,803,175 in Books (See Top 100 in Books) #56 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Graduate School > Graduate Preparation](#) #358 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Graduate School > GRE](#) #9686 in [Books > Textbooks > Test Prep & Study Guides](#)

## Customer Reviews

The computer administered GRE exam will be changing with the November 2007 administration, and the practice exams in the new 2008 edition of this book do not appear to include the new question types. That's defensible in one sense because for at least the first administration in November, the new questions will not count in the final score. However, the new questions may start to count with the next or subsequent administrations, provided GRE can "validate" the scoring for the new format questions. Thus, if you are thinking of taking the test after November, this book is not quite enough. You'll also need to go to the GRE website and examine the format of the new questions if you want to be fully prepared and avoid any unpleasant "surprises." (I'm also hoping that Kaplan will offer the new question types online at its website at the appropriate time.) In case you were wondering, the new Verbal question type is a text completion question that requires the test taker to fill in two or three blanks within a passage from separate multiple-choice lists. Currently, the Verbal section contains text completion questions that require test takers to fill in one blank within a passage from a single multiple-choice list. The new Quantitative question type will be a numeric entry question that requires test takers to type their answer as a number in a box, or as a fraction in two boxes. Test takers can review sample questions and additional information about the new question types on the GRE website. That said, this book is still quite useful, as the paramount

element of this book is the wide-ranging vocabulary review. Kaplan has included a long list of vocabulary words that they feel crop up frequently on GRE exams.
