Are you ready for an authoritative and "revelatory" answer to the three most important questions you can ask? "Who am I?" "Where am I?" And, "Where am I going?" Then it's time to read The Urantia Book, the self-proclaimed "Fifth epochally significant revelation of God to mankind on this planet, called "Urantia"- it delivers the right stuff on why God made the universe as is, how our planet evolved, how we got here, and a complete, yes, COMPLETE account of the life of Jesus. This book could easily fulfill the following guarantee: If you are not completely satisfied that your spiritual longing has been answered, your spiritual quest successful, and your true cosmic place in the universe revealed, then you simply must read it again; because this book delivers on all it promises.

Urantia has some answers. Is there times when the Bible has lost some continuity, holes that need filling, answers just not found? Urantia fills a lot of holes. The Bible has excepted facts, politics, justice and injustice. There are many dots not connected and some not logical occurrences. Urantia connects some dots and opens more doors to understanding.

Over the years, I have purchased several of these books for gifts. It is not for everyone, but it is very interesting. It's not an easy read as you might imagine. Much like the Bible, it needs to be taken in small spurts. My son has read it twice, I am still trying to get into it!

Out of the innate-animal urge to glorify one book above all others, the 196 Books within the Urantia Book will become the New Testament for not only this generation, but indeed our heirs in following generations. The Age of Pisces laid one major request for all those who wished to create the New Testament beyond John's book of Revelations, and this was in John's Dream, then in his 93rd year at Patmos: CHAPTER 22:18-19 "I warn everyone who hears the words of the prophecy of this book: If anyone adds anything to them, God will add to him the plagues described in this book. And if anyone takes words away from this book of prophecy, God will take away from him his share in the tree of life and in the holy city, which are described in this book." Thus, THE URANTIA BOOK, is testament given unto from angelic mission (Parts I, 2, & III), or by the united midwayers of URANTIA (PART IV, the LIFE of JESUS OF NAZARETH). This Book is Truly Epochal Revelation, which teaches Us to live as Jesus lived, by Revelation and not to live as under his LORDSHIP.

This is an older printing of The Urantia Book. There is a newer printing which also contains an extensive index. Four stars because The Urantia Book is an extraordinary book - a must read. One star less because this is an older printing. Newer printings are available.

If you have ever questioned things that are unexplainable you will definitely find it in the Urantia book. But I suggest reading areas of knowledge you are familiar with first, so you can get a better understanding.

This is a fake book. It was invented by delusional mystics circa 1920-1960, and you should be aware of this before you purchase it for biblical reasons. It is sad that people are so susceptible, taking this fantasy as truth.
