Quantum Chemistry And Spectroscopy (3rd Edition)

Synopsis

Engel and Reid's *Quantum Chemistry & Spectroscopy* gives students a contemporary and accurate overview of physical chemistry while focusing on basic principles that unite the sub-disciplines of the field. The Third Edition continues to emphasize fundamental concepts and presents cutting-edge research developments that demonstrate the vibrancy of physical chemistry today.

Book Information

Hardcover: 528 pages

Publisher: Pearson; 3 edition (March 2, 2012)

Language: English

ISBN-10: 0321766199

ISBN-13: 978-0321766199

Product Dimensions: 8.6 x 1 x 11 inches

Shipping Weight: 2.8 pounds (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (8 customer reviews)

Best Sellers Rank: #395,673 in Books (See Top 100 in Books) #25 in [Books > Science & Math > Chemistry > Physical & Theoretical > Quantum Chemistry](#) #104 in [Books > Science & Math > Chemistry > Physical & Theoretical > Physical Chemistry](#) #1209 in [Books > Textbooks > Science & Mathematics > Chemistry](#)

Customer Reviews

This book is alright. Some sections could be more concise or present better background information, but overall the book is alright. I do appreciate the examples in the book- very helpful to understand the concepts.

I've really enjoyed reading this book for my p-chem class. it is simple and to the point. For those students that are less mathematically inclined, it spends less time talking about the derivations than other books.

It was very helpful. Some parts are better than others, but it definitely helped me. I would suggest also subscribe to chegg for many of the solutions. It was this combination that aided me to make and A in my Pchem class.

This book is very helpful to get a better grasp on the lecture material. I just wish my professor would follow it more closely

Good book, a little more damage than I anticipated, but heck. It does what a book should do.

Cheap Quantum book

Helpful book but worst subject ever.

nice
