## Customer Reviews

"Ascended Masters are great spiritual teachers and helpers, most of whom lived as humans upon the earth. They're powerful guides who can help you understand your life's purpose, muster the courage to make significant changes, and develop your psychic and manifestation capabilities." - From the companion book  
In her tenth--yes, tenth!--oracle deck, angel therapist Doreen Virtue imparts wisdom from Ascended Masters. Spanning every culture and spiritual tradition, these masters are said to have certain "specialties" of expertise--aiding seekers and offering guidance within the realm of these specializations. For example, the Greek god Apollo can help you focus on your innate strengths, while The Green Man leads you into nature and its many gifts. Lugh, the Celtic sun god, encourages persistence while the beloved master of Christianity, Jesus, invites all to open their heart to love. As with Doreen's other decks, the Ascended Masters Oracle Cards number

44. And like her recent decks, these cards have a lovely shiny gilt edging. The 104-paged companion book provides a brief overview of deck clearing, preparing for guidance, and performing readings. The rest of the companion book explains the theme of each card, as well as various card meanings and a brief bio of the Ascended Master.
