Customer Reviews

the book is reprinted with each order -so you will see -printed Nov 2012 or whatever month you order it...but it has information /prices as of.....1997!...maybe good if you were there at that time and you are looking for some good memories.But to plan a trip there? Useless, waste of money-sent me a dolar and self adressed/stamped envelope and I will sent you this book.Admire the marketing though...to sell this and be paid for it is quite a success...

A very helpful instrumwnt for your Annapurna trek!
