Precalculus: Concepts Through Functions, A Right Triangle Approach To Trigonometry Plus NEW MyMathLab With EText -- Access Card Package (3rd Edition) (Sullivan & Sullivan Precalculus Titles)

Synopsis

Precalculus: Concepts Through Functions, A Right Triangle Approach to Trigonometry, Third Edition focuses on the fundamentals: preparation for class, practice with homework, and reviewing of key concepts. With the Concepts Through Functions series, the Sullivans expose students to functions in the first chapter and maintain a continuous theme of functions throughout the text. This approach ensures students master basic skills and develop the conceptual understanding they need for the course, ultimately preparing students for future math courses as well. **ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. **Packages** Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. **Used or rental books** If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. **Access codes** Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- 032192598X / 9780321925985 Precalculus: Concepts Through Functions, A Right Triangle Approach to Trigonometry Plus NEW MyMathLab with eText -- Access Card Package Package consists of 0321431308 / 9780321431301 MyMathLab -- Glue-in Access Card 0321654064 / 9780321654069 MyMathLab Inside Star Sticker 032193105X / 9780321931054 Precalculus: Concepts Through Functions, A Right Triangle Approach to Trigonometry

Customer Reviews

I rented the text book as well as the lab book. The one time use code was already used and only provided a 30 day trial use. I had to purchase the book and math lab which cost me an additional \$250.00. Not happy

Came on time and the text book looks great! Thanks again!

It says my code has been used! I paid for a new code!!

Needed rental at a good price!
