The Real ACT Prep Guide (Book + Bonus Online Content), (Reprint) (Official Act Prep Guide)

Synopsis

This edition of The Real ACT Prep Guide was originally published by Peterson's as The Real ACT Prep Guide, 3rd Edition (9780768934403). This edition includes access to new online bonus content. The Only Guide to Include 5 Real ACT Tests The #1 bestselling guide to preparing for the ACT Everything you need to know to fully prepare Proven test-taking tips from ACT THE ONLY OFFICIAL GUIDE TO PREPARING FOR THE ACT! The Real ACT Prep Guide, 3rd Edition gives you the information, strategies, and practice you want in order to prepare for and do your best on the ACT exam. The book contains five actual ACT test forms—each including the optional writing test—giving you the opportunity to practice at your own pace. Filled with detailed explanations of the correct answers, this guide helps you better understand the type of questions you could face on test day. Written by the makers of the ACT, The Real ACT Prep Guide is designed to help you know what to expect when you take the exam. The better prepared you are, the better you'll perform on the exam—and the more likely the ACT will accurately reflect your knowledge and achievement in the areas tested. Comprehensive yet user-friendly, The Real ACT Prep Guide provides: Tips and advice from the makers of the test The types of questions to anticipate on the English, math, reading, and science tests Ideas for writing a successful essay Important procedures to follow before and during the test Useful information on how the ACT is scored Helpful tips for gearing up mentally and physically Strategies for test-taking In addition, the book includes free access to bonus online content that will help you prepare your college applications, choose the school that's best for you, get your college career off to a strong start, ensure you graduate in four years, and more.

Customer Reviews

I'm a Harvard graduate, SAT perfect scorer and full-time tutor who has taught the ACT for nearly 20 years. This book continues to be the most essential preparation guide for the ACT, because it is the only source of official test questions – the practice ACTs in all other books are nothing more than subpar imitations of the real thing. However, given that that ACT has recently revised the Reading, Science, and Writing (Essay) sections of its exam, I had hoped that this new book would finally reflect those changes, and provide a new set of updated practice ACTs. Unfortunately, as many other reviewers have already noted, it doesn't. In fact, it's the same text as the 3rd edition from 2011, only much thicker. Thick paper is usually a good thing, but for a book that runs 928 pages, the added thickness and weight only make it more burdensome to carry and transport. And the "bonus online content" (web address on the back cover) is college admissions related information, which, while somewhat helpful, is only tangentially related to the ACT exam, and in some cases is freely accessible through the ACT website (see the comments below for more information on this). The authors didn't even bother making a few superficial changes to the book (other than its cover) or including a single new practice test. Again, it's the same book as this one, page for page, aside from a few typos:
